SUPERINTENDENT- DIRECTOR'S MESSAGE

Congratulations to the Class of 1998 . Over the past four years , you have worked and studied and now you are ready to begin your lives as members of the adult community . You are about to become involved with a new life , hopefully , a life full of discovery and career fulfillment .

Remember as you persue your personal and professional goals that failure or success will now largely depend on you . Your teachers , guidance counselors , advisors and coaches will no longer be there to provide the encouragement and understanding that was needed from time to time . Whatever your future holds , it is my sincere hope that you will look back on your years at Greater Lowell Technical High School as years that have prepared you properly to meet and deal with the challenges that life will present .

On behalf of the faculty and staff at Greater Lowell Technical High School , I wish you success and happiness in all your future endeavors .

Sincerely,
William J. Collins
